⁷ Department of Neurology, Philipps Universität, Marburg, Germany

ensure that the article can be found under each of their names in PubMed and other databases.

In order to rectify this situation, this erratum provides a corrected author line, found above, that includes the names of the members of “The PROMESA study group” and an expanded list of affiliations.

The names that have been added are found in the author line following “Gregor Wenning” and preceding “The PROMESA study group.” Here are these names, once again, as a separate list with affiliations:

⁸ Institute of Nursing Science and Practice, Paracelsus Medical University, Salzburg, Austria

⁹ Department of Neurology, Medical University of Innsbruck, Innsbruck, Austria

¹⁰ Center for Neuropathology and Prion Research, Ludwig-Maximilians-Universität, Munich, Germany

¹¹ Department of Neurodegeneration, Center of Neurology, Hertie-Institute for Clinical Brain Research, University of Tübingen, Tübingen, Germany

¹² Department of Neurology, University of Leipzig, Leipzig, Germany

¹³ Movement Disorders Clinic, Beelitz-Heilstätten, Germany

¹⁴ Universitätsklinikum Giessen und Marburg, Klinik für Neurologie, Marburg, Germany

¹⁵ Department of Neurology, University of Ulm, Ulm, Germany

¹⁶ Department of Neurology, Charité-University Medicine Berlin, Berlin, Germany

¹⁷ Department of Neurology, Technische Universität Dresden, Dresden, Germany

¹⁸ Paracelsus-Elena-Klinik, Kasel, Germany

- D. Berg, MD (Center of Neurology, Department of Neurodegeneration and Hertie-Institute for Clinical Brain Research, University of Tübingen, Tübingen, Germany);
- Joseph Claßen, MD (Department of Neurology, University of Leipzig, Leipzig, Germany);
- Georg Ebersbach, MD (Movement Disorders Clinic, Beelitz-Heilstätten, Germany);
- Karla Eggert, MD (Universitätsklinikum Giessen und Marburg, Klinik für Neurologie, Marburg, Germany);
- Jan Kassubek, MD (Department of Neurology, University of Ulm, Ulm, Germany);
- Axel Lipp, MD (Department of Neurology, Charité-University Medicine Berlin, Berlin, Germany);
- Matthias Löhle, MD (Department of Neurology, Technische Universität Dresden, Dresden, Germany);
- Brit Mollenhauer, MD (Paracelsus-Elena-Klinik, Kassel, Germany; University Medical Center, Georg-August-Universität Göttingen, Göttingen, Germany);
- Alexander Münchau, MD (Department of Pediatric and Adult Movement Disorders and Neuropsychiatry, Institute of Neurogenetics, University of Lübeck, Germany);
- Martin Südmeyer, MD (Institute of Clinical Neuroscience and Medical Psychology, Heinrich-Heine-University, Medical Faculty, Düsseldorf, Germany);
- C. Blankenstein, MD (Münchner Studienzentrum (MSZ), Klinikum rechts der Isar, Technische Universität München, Munich, Germany);
- C. Eberhardt (Pharmacy, Charité-University Medicine Berlin, Berlin, Germany);
- B. Ertl-Wagner, MD (Institute for Clinical Radiology, Ludwig-Maximilians-University Munich, Germany);
- H. Heise, PhD (Clinical Study Center, Ludwig-Maximilians-Universität München, Munich, Germany);
- I. Ricard, PhD (Institute of Medical Informatics, Biometry, and Epidemiology, University of Munich, Munich, Germany).
